---

A **Party** is bound under international law by the provisions of the *FCTC*.

A **Signatory** is a country that signed prior to the June 29, 2004 signature deadline. Signature indicates agreement with the *FCTC* and an intention to become a Party at a later date and thus be bound by the *FCTC*'s provisions.

A **Participant** includes all countries that are either Parties or Signatories, including countries that become Parties through accession or succession.

**Accession** is the process by which a country that has not previously signed becomes a Party.

**Succession** refers to a new country that desires to continue to be a Party following the partition of a previously existing country.

**Ratification** (becoming a **Party** subsequent to signature), **accession** and **succession** have the same legal effect.
